### U.S. Designates New Groups Under Terrorism Financing Order

Under the authority of Executive Order 13224, the Secretary of State Colin L. Powell, in consultation with the Secretary of the Treasury and the Attorney General, has designated six additional groups, linked to terrorist activities, whose assets will be frozen. The groups are:

- Continuity Irish Republican Army (CIRA)
- Loyalist Volunteer Force (LVF)
- Orange Volunteers (OV)
- Red Hand Defenders (RHD)
- Ulster Defence Association/Ulster Freedom Fighters (UDA/UFF)
- First of October Antifascist Resistance Group (GRAPO)

These groups were listed last week by the European Union for specific anti-terrorism measures--an action we welcomed. We have consistently said that the fight against terrorism requires international cooperation in the fullest measure. The Secretary's decision supports the important step taken last week by our European partners.
